**Event date and time:** Ongoing

**Brief description of what the volunteers will be expected to do:**

“Learning Everyday Accomplishing Dreams (LEAD) is dedicated to providing the tools and resources that low-income/at-risk preteen girls must have to become productive citizens and active leaders in their communities. Using an evidence-based curriculum, LEAD encourages and mentors girls to aspire and achieve greatness academically, emotionally and creatively.

LEAD Girls is changing their delivery of programming to be virtual and putting together “LEADer” boxes to mail to the girls filled with resources. They would love to include encouraging notes and are inviting the community to send e-mails of encouragement for them to print to include in the boxes. If you are interested, please send your e-mail to [letters@leadgirls.org](mailto:letters@leadgirls.org).”
