Event name: **#BuildThanks**

Event date and time: **Ongoing volunteer opportunities**

Are there any age restrictions on volunteers?

No age restrictions on projects that are completed at home!

Brief description of what the volunteers will be expected to do:

Lowe's invited do-it-yourselfers to join the company in creating DIY thank you messages using objects that can already be found around the house to thank the frontline heroes working every day to support our communities during this challenging time. Beginning April 6, participants proudly began displaying the thank you messages in front yards, windows, porches and at Lowe's stores across the country and sharing on social media with the hashtag #BuildThanks.

Any additional information you feel like should be included in the posting: *(website, flyer, etc.)*
