No age restrictions on projects that are completed at home!

Brief description of what the volunteers will be expected to do:

Extend your community service outside of North Carolina! Send an uplifting note to people with developmental disabilities!

If you're a volunteer with a message of support and kindness, please help us by writing a quick card or letter with that positive message. You can also send artwork (sketches, paintings, photographs)! Anything you think will brighten a consumer's day.

Be creative, have fun, and share positive vibes. Consumers really enjoy getting mail and an encouraging note would go a long way.
