1:00pm - 3:00pm

Create vision boards for students in the LIGHHT Program / assemble gift bags for students in the LIGHHT Program. The LIGHHT Program is a collaboration between Crossnore Communities for Children and Crosby Scholars. This may feel a bit artistic. Art may not be your thing. Think of this project as an act of encouragement, inspiration and empowerment for someone else. Oftentimes when we work to encourage others we in turn encourage ourselves.

3:30pm - 5:30pm

Create coffee sleeves out of clean/new mismatched socks to serve the community in partnership with a local coffee shop, Dog-eared Coffee Company in Clemmons, NC / bake cookies and assemble hot cocoa bags for our community's unhoused neighbors. This may feel a bit artistic. Art may not be your thing. Think of this project as an act of kindness, inspiration and something handmade for someone else. Oftentimes when we work to inspire others we in turn inspire ourselves. Dog-eared Coffee Company is getting ready to celebrate their one year anniversary! Make sure to grab a cup of coffee to support them and their mission to be a community-minded "bookish spot for good coffee."
