

Serving Animal Shelters in our Community

Make no-bake dog treats and drop them off at one of the animal shelters listed below.

No-Bake Dog Treats Ingredients:

- 3 Tablespoons of Oats **or** Flour
- 3 Tablespoons of Peanut Butter **or** Canned Pumpkin
 - Be sure there is no Macadamia Nut or Xylitol – These ingredients are life-threatening to dogs.
- 3 Teaspoons of Water
- 5 Ziploc Bags – To put the finished treats in for drop-off.
- 5 Sheets of Paper – For writing a note. It can be notebook paper, index cards, sticky notes, plain paper; whatever you have will work!

No-Bake Dog Treats Recipe:

1. Stir together 3 Tablespoons of Oats **or** Flour and 3 Tablespoons of Peanut Butter **or** Canned Pumpkin.
2. Add 3 Teaspoons of Water. Stir until completely mixed.
3. Roll dough into balls and flatten. Set aside or refrigerate for up to one hour to dry.

The recipe makes around 30 treats. If you have less or more that is just fine, you can split the treats evenly between 5 bags. Make 5 encouraging notes – one for each bag – for the staff taking care of the animals without homes in our local animal shelters.

Drop off the treats at one of the locations listed below within a few days.

It takes around 2 to 3 hours to make and deliver the treats. Just be sure to submit the online Community Service Form to receive credit for however long it takes you at <https://forms.gle/iWRZGuR2ajDGGbQt7> (copy and paste link). A parent/guardian can verify the hours and no adult signature is required.
