Brief description of what the volunteers will be expected to do:

Our YMCA Bright Beginnings Program takes children in elementary or middle school back to school shopping at our local Walmart and Target stores here in Kernersville. Each child is given a \$75 gift card that they can use to pick out school clothes & shoes. Each child is also given a book bag which is packed with their grade level school supplies. We're able to do this because we raise money from people in our community through our Annual Giving Campaign.
