Brief description of what the volunteers will be expected to do:

Whether it's folding a fitted sheet, making ginger cookies, or figuring out exactly what 501(c)(3) means, the Family House is filled to the brim with opportunities to learn.

What better way to learn than a hands-on service-learning opportunity?

This summer the Family House is offering internship dates for middle and high school students who are ready for an inside peek at what it takes to make a successful non-profit run. Students will visit a hospital, explore the various support services that the Family House provides to guests, cook a meal for guests- and so much more!

Students receive 16 service hours upon completion.
