

CSA #3 Financial Basics for High School and Beyond

The Senior Program is offering an online, self-paced Crosby Senior Academy through CFNC's ***Financial Basics for High School and Beyond***. Read this description thoroughly before you begin. You must apply for academy credit by **September 30th**. This online opportunity will allow you to earn **one** of the two academy credits needed to fulfill your senior academy requirement. You do not need to have a CFNC account to participate in this academy.

Follow the steps below to begin:

Go to www.cfnc.org

Hover over the gray "Pay" tab at top of page

Click on the "Financial Literacy" tab on far right

On the next page, choose "Financial Basics"

In the classroom code box, enter DD7F7D-Crosby2020

Enter your name, grade level, and phone number in the boxes provided

Enter your e-mail address (twice) and create a password

You are welcome to complete all 15 of the following modules; however, you must complete six (6) the following modules to receive credit for one senior academy:

- **Buying a Home**
- **Financial Health**
- **Compound Interest**
- **Choices About Money**
- **Education and Financial Success**
- **Earning a Living**
- **Smart Spending**
- **Borrowing and Credit**
- **Financial Services**
- **Managing Financial Accounts**
- **Protecting Your Financial Identity**
- **Recognizing Financial Problems**
- **Renting an Apartment**
- **Planning for Your Financial Future**
- **Protecting Your Success with Insurance**

We believe that the concepts presented in these modules can help you develop the sound financial habits that are critical in college and beyond. A scholar who completes all 15 modules will **not** earn 2 academy credits.

Helpful hints- you must achieve a score of **80% or better on the questions** to count that module toward your academy credit. Using the notebook to take notes and participating in the activities will increase your participation score.

As you complete each module, you will receive a score and Certificate ID. Please write down your score and certificate ID. Once you have completed six modules, you can apply for academy credit by sending an e-mail to seniorprogram@crosbyscholars.org. Include your name, high school, titles of the modules you completed along with scores and certificate ID numbers. The deadline to apply for academy credit is September 30, 2019. CFNC will provide Crosby Scholars with a list of scores and certificate ID numbers so we can confirm your participation.

If you have questions, please contact your Crosby Senior Advisor or email seniorprogram@crosbyscholars.org.

Students who complete the course (all 15 modules) will be automatically entered in CFNC's \$500 college scholarship drawing.
