Dear Friend of Crosby Scholars,

We are thrilled to announce the 19th Annual Crosby Scholars Invitational Golf Tournament will take place on May 6, 2025. Each year, the Crosby family and our community of supporters come together for this special event, and we are immensely grateful for the support of sponsors like you. This year, we also celebrate the life and legacy of Kathryn Crosby, whose vision and generosity helped shape our mission and continues to inspire our work.

**We need you on our TEAM, now more than ever.**

Your sponsorship energizes Who We Are and What We Do. It shapes our community. You matter to us and to the 10,000+ students we serve. You enable Crosby Scholars to provide programs and support to EVERY student at **NO COST**.

Since 1992, Crosby Scholars has provided public middle and high school students with career and college exploration, admissions and financial aid workshops, one-on-one advising services, college visits, community service opportunities and cultural experiences. Last year, 100% of our Crosby Scholars graduated high school and 94% attended a two- or four-year college or university. In 2023-24, Crosby Scholars awarded \$1,200,000 in Last Dollar Grants and scholarships to lessen the burden of college tuition costs and allow each student to concentrate on their studies and future careers.

Today's Crosby Scholars will be the Forsyth County employees of tomorrow and we must support students at this critical time for the future economic health of our community. Crosby Scholars programs for African American males (AAMPED), women in STEM (SHE), Hispanic males (HLMS), and Hispanic Females (Excelencia) help strengthen the diversity of our workforce to increase college enrollment and career preparation.

Please return your completed sponsorship form by **March 15, 2025**. Be a team sponsor and partner with us to give our public school students what they need—For College. For Life.

All my best,

Paul Fulton  
Chair, Crosby Scholars Invitational Golf Tournament
